

**REMARKS**

In the Restriction Requirement mailed September 09, 2008, the Examiner has restricted the claims to one of the following inventions under 35 U.S.C. 121:

- I. Claims 1, 2 and 5, drawn to a printing method for a commercial product comprising printing a visual image and printing commercial product information in a way that the image is almost invisible, classified in class 101.
- II. Claims 3 and 4, drawn to printing a commercial product comprising printing at least a visual image of a commercial product and printing a code for indicating commercial product information in a way that the code is mixed with pixels of the visible image, classified in class 101.
- III. Claims 6-11, drawn to a commercial sales-use print with printed commercial product information that is almost invisible, classified in class 283.
- IV. Claims 12-14, drawn to a commercial sales-use print comprising a code indicated commercial product information mixed with the pixels of the visible image, classified in class 283.
- V. Claims 15-19, drawn to a commercial product sales system, classified in class 705.

Applicants elect, without traverse, Group V, claims 15-19. Applicants respectfully reserve the right to reintroduce any non-elected claims, including claims 1-14, (Group I-IV), in one or more divisional applications at a later date.
